Supervisors Deny Petition To Form Police District

Petition for formation of the Campbell Police Protection District was denied Thursday morning by the County Board of Supervisors. Attorney Richard Morton, speaking for opponents, asked denial of the district.

Proponents present acted on suggestion of the Board of Supervisors that they consent to an indefinite postponement and that in event police protection was not obtained within a year, they would be free to circulate another petition at any time.

In the half-hour hearing before the board, Rex A. Kaber, leading light in the move to form the district, asked for postponement of action for one year, and also spoke in favor of the district formation.

Joseph V. Gomes, who has organized and led opposition to the police district, said he and fellow opponents feel their taxes are already too high without addition of further taxes for support of a police district.

Both factions agreed to work for better protection by the sheriff's office. Should this fail, Kaber indicated district proponents may petition again next year for the establishment of a Campbell Police Protection District.

Others who spoke were Fred Hoffman, also an opponent, and W. A. Stine, of the County Farm Bureau. Others present, mostly ranchers, voiced opposition to the plan.

Local Methodists To Join National Prayer For Peace

Local Methodists will join Sunday, December 31, with the denomination's nearly nine million members in a national mid-century prayer for peace, it was announced today by the Rev. L. J. Osborne, pastor of the Methodist Church in Campbell.

He said the call to special prayer was sounded by the Methodist Council of Bishops and the church's General Board of Evangelism in view of the "exceptionally grave condition of the world today."

In a letter to pastors of 42,000 Methodist Churches, the board urged every congregation to unite in a "chain of prayer on Mid-Century Sunday, beseeeching God's guidance in converting a world crisis to a just and lasting peace."

Declaring that "mankind's hope for freedom is in desparate jeopardy," the plea for prayer coincided with a similar request by the president of the new National Council of Churches, Episcopal Bishop Henry Knox Sherrill, of New York. He urged all Protestants to offer prayers on December 31 for " peace which is the fruit of righteousness."

The letter to pastors, stressing individual and group participation, stemmed from the following call by Methodist bishops:

"With a sense of deep urgency we call our fellow Methodists and all others who will to join us in special prayer.

"Let us pray daily for the leaders of our country and of the United Nations, that God will give them wisdom and courage to seek and to do His will.

"Let us pray for all who are under the shadow of war; for those who do battle for us ... the homeless, the hungry, the children. Let us pray for our enemies that God may lead them in the way of righteousness and peace."

In addition to its normal duties already complicated by the once-in-a-decade reapportionment task, the 1951 California Legislature is faced with two of the unique and little used "petitions to the Legislature"—one to abolish the State's cross filing system; the other, another pension scheme by George B. McLain.

Under California law, according to Secretary of State Frank M. Jordan, the State's lawmakers can do one of three things with a petition to the Legislature. One course is to pass the measure, without amendment, in which case it is subject to referendum. If the referendum petition is successful, the measure will appear on the ballot.

Secondly, the Legislature can completely redraw the measure. In that event, both the legislative proposal and the original will go on the ballot for a voter decision.

The third and final choice open to the lawmakers is not to pass the petition. In this event it will appear on the ballot automatically. Thus no matter how the Legislature deals with the two petitions before it, it is practically a foregone conclusion hat they will be placed on the ballot.

CROSS FILING

The California cross filing law was adopted some 40 years ago during the Hiram Johnson era. Under the system, which exists only in California, canidates for public office, regardless of party, may register on both the Democratic and Republican tickets, or any other in existence at the same time. Thus, cross filing is attacked on one hand as the destruction of the two party system and upheld on the other as a boon to nonpartisan politics.

In its simpest form, the argument boils down to this: If you believe in a strong two party system you are against cross filing; if, in State matters, you believe in nonpartisan politics, you are in favor of cross filing. Of course, on a "practical politics" basis, there will be those who cross lines.

McLAIN PENSION PLAN

The Gearge H. McLain petition to the Legislature which the lawmakers must study is one of the most far reaching pension schemes ever to be brought before the public. As with the previous McLain pension plan (thrown out by the electorate in 1949) this measure would stop local county pension administration and entrust the entire job to a State bureau. Pensions would be $75 monthly at a minimum instead of at a maximum as now. The plan provides that responsible relatives in a position to do so no longer would have to contribute to their own, the State would take over that burden.

In addition, the McLean pension petition goes all out in a medical way: pensioners would be eligible for nursing and hospital care, State paid medical and dental care and funeral expenses at public expense, and a host of other publicly provided services such as glasses, drugs and medicines, hearing aids, artificial limbs and ambulance service.

TO THE BALLOT

Sacramento observers predict both the pension plan and the cross filing petition will be referred by the Legislature to the ballot for a voter decision.

Auto Owners Receive Notice

Motorists should destroy 1951 potential registration cards received for vehicles which they no longer own, Motor Vehicle Director A. H. Henderson said today.

Henderson explained that because of late ownership transfers a potential registration card sometimes is received by the former owner as well as the new owner of the vehicle.

Failure of the former owner to notify the Department of Motor Vehicles of the transfer or sale within 10 days as provided by law also may result in a mis-directed potential registration card.

Transfer applications received in Motor Vehicle department offices subsequent to December 15 will not result in issuance of a potential registration card. In such case, the new owner should apply during the January 2 through February 5 renewal period using the 1950 registration card. Penalties become effective at midnight on the closing date of the renewal period.

Henderson said that minor changes involving addresses and correction of name spellings could be effected at the time of renewal. He emphasized that the applicant should read his potential registration card carefully before paying fees to insure that his vehicle is correctly described.

Pantomime And Reading Highlight AAUW Christmas Party For Children

Branches of fragrant pine and redwood, green wreaths and gold drapes formed a colorful background for the presentation of the Christmas program of the Los Gatos-Saratoga branch, American Association of University Women, Saturday, December 16, at Montalvo.

Mrs. Donald Swan kept an audience of AAUW members and their children enthralled with her reading of "The Littlest Angel." Tableaux, depicting highlights of the story, were presented simultaneously with the reading by a group of children. The part of the Littlest Angel was taken by Master Kieth Matheny. Angels were Leslie Avilla, Betty Balch, Jill Derby, Ann Lambrecht and Penny Pittman. The soloist was Patricia Hodgson.

The pantomime presentation was under direction of Mrs. Tom Derby, Mrs. Reginald Loftus and Mrs. George C. Peacock.

Mrs. Loftus presided at the brief business meeting which preceded the program, at which time members voted to attend a luncheon meeting with the Salinas, Watsonville and Santa Cruz branches on February 17.

Decorations in the tea room carried out the green and gold color scheme. Mrs. Lee C. Newby and Mrs. McSwain Jones presided at the gold covered table which was centered with a madonna figurine and green and white magnolia leaves.

The childrens' table, also covered in gold, was festive with miniature angel and choir boy figures, fat red candles and a white tarlton star-spangled Christmas tree.

Co-chairmen for the afternoon were Mrs. Charles Fortson and Mrs. Harrison Walker. They were assisted by Mesdames Arthur Olsen, Robert M. Davies, Charles Ramsdell, L. C. Newby, T. R. Derby, E. M. Jones, Ben Nerenberg, George C. Peacock, Benjamin Bledsoe and R. M. Negendank.

SECTION MEETING

Creative Arts section of the AAUW met Tuesday, December 19, at 7:30 p.m. in the home of Mrs. McSwain Jones, 436 Monte Vista Drive, Los Gatos.

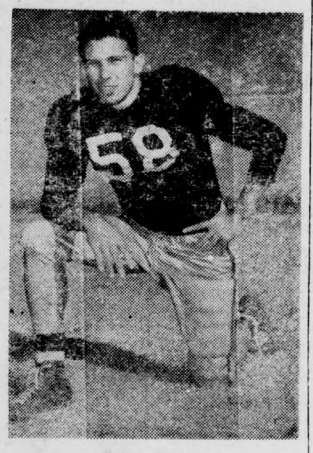
Peter Ragus Jr. Unanimous Selection On Texas All-Conference Football Team

ABILENE, Texas, Dec. 28—Peter Ragus, Jr., Abilene Christian College senior from Campbell, Calif., was a unanimous selection on the Texas conference All-Conference football team of 1950. The selections were announced at a banquet Saturday, December 16, in Abilene, Texas, given by the Exchange Club honoring players and coaches. The All-Conference team is chosen by the coaches of the conference.

This is Ragus' second year to make the All-Conference team. He was chosen for the 1949 team. Ragus has also received honorable mention twice, 1949 and 1950, for the Associated Press Little All-America team.

Ragus was co-captain of this year's Wildcat team which won



Pete Ragus

eleven straight games. This was ACC's first year to take full title of the conference championship and go through a season undefeated and united. They beat Gustavus Adolphus College of Minnesota 13-7 in the Refrigerator Bowl at Evansville, Ind., Dec. 2.

A third year letterman, Ragus is considered by the ACC coaches as one of the better offensive ends of the conference, an exceptionally good pass receiver and fine blocker.

Besides lettering in football, he was also awarded a track letter. He runs the mile relay in track.

At Campbell, Calif., high school, Ragus was chosen all-district quarterback on a district championship team.

He is one of the few married men on the ACC football squad and is also a World War II veteran.

Sport Shorts

By JERRY THOMAS

BRIEF ROUND-UP . . . By pleading, begging, cajoling, and conniving we managed to persuade the boss to let us go home for the holidays. He graciously gave us a ten-day furlough . . . not that we deserved one but Mr. Big thought the readers did.

But being the boss gave him the right to have the last word . . . which was, "Have at least a column for this week."

But by some miraculous coincidence nothing much has happened the past few weeks so far as local sports are concerned. With the various schools parolling their charges until the new term, sports coverage was trimmed to practically nothing. To further decrease local athletic action (and increase my excuse for turning in only a mere column) the high school gym, scene of the classy Senior Cage league, has been marcelled and given a spanking new look.

For the past two weeks the gym floor has been undergoing a complete renovation. Workers have washed and scrubbed the extremely slow and sticky hardwood with a special solution. Then a thin coat of finishing varnish was applied.

According to Bert Robinson, director of the Adult Recreation program, the gym will be suitably dry for playing on January 2 when the B division takes over.

The only games we have on which to report are the last three contests of the A loop, just prior to Operation Varnish.

McCune Citrus, the powerhouse thus far, remained unbeaten by trouncing Rossi's 51 to 29. High point man for the game was Forward Irvine of Rossi's..

Eddie Forrester, stellar front man for the winners, led his team with 12 points on six field goals. Ironically enough, the tilt marked the final game Eddie will play for the lime-and-lemon club, or any other squad.

The amiable, well-liked 21-year-old youth is sporting the familiar khaki of our national uncle's armed forces.

It's funny, but I have a strange aversion to the word "Army."

George Stein, another stalwart on the McCune five is expecting the call any day.

For the second consecutive week, Bob Burgstrom, flashy forward for Western Gravel, led the week's play in scoring. He totalled 21 points in the Western Gravel-Los Gatos Merchants game, although his team went down to a 54-37 defeat.

In two games Burgstrom has now amassed 44 points.

The third game found somewhat of an upset in the making. Previously unbeaten Busy Bee Cafe was rudely trimmed by a well-oiled Jones Service quintet, 44-33.

Guard Pappas and Forward Gazay paced the winners as they literally gave their opponents the works. Pappas netted 15 points-worth of the total with Gazay scoring 10.

As mentioned earlier, only McCune has shown definite over-average strength in the "A" league. As of now they are the only unbeaten club in the loop and with only two weeks on the boards.

But with the loss of Forrester and maybe Stein, the club potential may suffer accordingly, and make for a tight, down-to-the finish battle.

Basketball being the unpredictable sport that it is, any one of the six entrants may yet cop the Senior title. Upsets are the rule not the exception in any cage loop, be it a grammar school game or a professional contest . . . as CCNY, pre-season favorite, can well attest. They were rudely upset by Missouri, a team from nowhere, earlier this month in Madison Square Gardens.

BUC BRIEFS . . . Just a few words on Coach Robinson's Campbell cagers who meet Gilroy in their SCVAL opener.

The Bucs will enter the fray sporting one win and two losses. Despite defeats at the hands of Willow Glen and Lincoln, Robinson is confident that he will have a formidable team this season.

In league play last year the locals wound up in eighth place with two wins and sixx losses. Only Gilroy finished lower. They lost all eight of their SCVAL contests.

MAT MEMOS . . . The Campbell high wrestling team, under the new tutorship of George Miskulin, met San Jose high in a practice meet just before the winter vacation.

Although Miskulin's crew lost 27-18, we firmly believe that he will have one of the chief contenders for league honors. from a Castlemont tourney where all they did was to cop the team championship and three individual titles . . . Not to mention two runner-ups in other divisions.

The meet was the first one for the locals and considering the few weeks of practice and the rugged opponent met the Bucs should go a long way.

SERVICE NEWS

Cloyd Williams Signs With USAF

Cloyd Williams, son of Mrs. Stanley Cudek who operates the Realistic Beauty Salon in Campbell, has enlisted for four years of duty with the U. S. Air Force. He expects to leave January 10 for basic training near San Antonio, Texas.

Williams, who will be 18 years old on January 18, may leave ahead of time. Three of his friends from San Jose have signed with the USAF and will depart for San Antonio on January 2. The friends are endeavoring to have Williams go with them. He attended Campbell High School.

Four Campbell men who have enlisted in the U. S. Navy left Wednesday morning for San Francisco to receive physical examinations and to be sworn into the service. Following final acceptance, the four will leave for San Diego Naval Training Station. The enlistees are William B. Bowen, Leland L. Conklin, Reginald M. Gazay Jr. and Warren B. Whitmore Jr.

Any World War II veteran in Santa Clara County who has entitlement to education or training remaining to him under the GI Bill of Rights had better take action immediately if he has any intention of using that enlistment in the future, according to John W. Davis, Santa Clara County Veteran's service Officer.

The deadline date for the start of GI Bill training for most World War II veterans is July 25, 1951. If a veteran is not actually pursuing a course of study or training on that date (except for normal Summer vacation) he forfeits all his future benefits in that respect.

"It's a case of 'speak now or forever hold your peace'", Davis said, "and by 'now' I don't mean next Summer. In actual practice, a veteran just about has to be enrolled for the Spring term if he wants to continue studying under the GI Bill next Fall and as long thereafter as his entitlement holds out. The veteran who waits another month or two may be out of luck."

Exceptions are made in a few special cases such as for teachers and pre-medical or pre-dental students, Davis said. But even the veteran-student presently enrolled for undergraduate study which he will complete in June must file the proper documents without delay if he wants to continue as a graduate student next Fall.

Information and application forms are available to interested veterans at the Santa Clara County Veterans Service Office, 215 North First Street, San Jose, California. Both institutional and on the job training are affected by the July 25 cut-off date.

Christian Science Lesson-Sermon

"Christian Science" is the subject of the Lesson-Sermon to be read on Sunday, December 31, in all Churches of Christ, Scientist. The Golden Text will be taken from John: "When he, the Spirit of truth, is come, he will guide you into all truth: for he shall not speak of himself; but whatsoever he shall hear, that shall he speak: and he will show you things to come" (16:13).

The citations comprising the sermon will include the following:

The Bible: "Therefore thus saith the Lord God, Behold, I lay in Zion for a foundation a stone, a tried stone, a precious corner stone, a sure foundation: he that believeth shall not make haste. Judgment also will I lay to the line, and righteousness to the plummet: and the hail shall sweep away the refuge of lies, and the waters shall overflow the hiding place" (Isaiah 28:16, 17).

"Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Chritianity will never be based on a divine Principle and so found to be unerring, until its absolute Science is reached. When this is accomplished, neither pride, prejudice, bigotry, nor envy can wash away its foundation, for it is built upon the rock, Christ" (p. 483).

Parents Sponsor Boy Scout Troop In Meridian Area

A group of parents in the Hamilton Avenue-Meridian Road area have banded together as a committee to sponsor Boy Scout Troop 33 there. Ordinarily scout troops are sponsored by some organization such as a PTA or civic group, but the Hamilton-Meridian area finds itself in somewhat the position of an orphan, since it lies between Campbell and Willow Glen, thus parents' committee.

This Adult committee promises to be an active one, and its members began their task on December 18 by holding a benefit card party. Funds raised amounted to $287, which will be used to purchase troop equipment.

Troop 33 meets Monday evenings in the American Legion Hall on Isabel Avenue, with Scoutmaster Harry K. Hammond. Chairamn of the parents' committee is Wayne Lenz.

Engineers Study Chalmers Bid On Folsom Turbines

Second major step toward completion of Folsom Power plant, on the American River east of Sacramento, was taken December 23 as Bureau of Reclaimation engineers in Denver began a review of Allis Chalmers Company's bid of $1,575,000 to manufacture and install three 74,000 horsepower hydraulic turbines for the plant, Acting Regional Director R.S. Calland revealed.

Allis Chalmers of Milwaukee, Wis. was the only bidder on the job, which must be completed in 870 calendar days from notice to proceed, according to reports received from Reclamation's engineering center.
